

**DINE. LEARN. TOUR.**

## Dine, Learn, Tour this Fall

Spend time in the Napa Valley this fall as the grape vines put on a glorious display of color before they “bed down” for the winter. Couple that with spectacular dining, touring, and classes at the CIA’s Greystone campus in St. Helena, and you’ll simply have to take some time out to enjoy it all.

### **The Gatehouse Restaurant**

Join us for dinner as advanced CIA students transform the freshest fall ingredients into creative contemporary dishes. To add to the ambiance, you can now enjoy art created by local talent that explores the connection between the visual and culinary arts. Enjoy the art of Sylvia Gonzalez from Petaluma, CA on display until December 15, 2018. **Make a reservation today!**

### **New! Sunday Brunch on the Terrace**

With an exquisite view of the valley, the Terrace at the CIA at Greystone is the perfect place to savor Sunday brunch al fresco! The pre-fixed menu has something for everyone, making it easy to enjoy time with family and friends. Available Sundays only through October, so be sure to **make a reservation soon!**

### **The Bakery Café by illy**

A beautiful selection of gourmet sandwiches, salads, pastries, espresso drinks, and more await you at **The Bakery Café by illy**, making it a great place for lunch or a sweet treat on-the-go. The menu varies and there is always something new, so be sure to stop by during your visit to the CIA at Greystone.

### **Greystone Sunset Tour**
